## ***for Congress***

**Do you want to protest the policies and/or decisions of George Bush and/or Christopher Cox? The most effective way (if you live in any of the Orange County cities listed below) is to fold this sheet of paper in half and post it in your car's back window. A little piece of scotch tape will secure it (as in the diagram →). Please be careful not to obstruct your rearview vision.**

**John Graham is running for Congress opposing Christopher Cox. Vote for him on November 2<sup>nd</sup>. Details about John's campaign can be found at [www.JohnGraham.US](http://www.JohnGraham.US).**
